NEUNENEU

A MUSICAL JOURNEY TO THE HEART OF THE AMAZON

NEUNENEU

A MUSICAL JOURNEY TO THE HEART OF THE AMAZON

5 musicians from the MEHINAKU tribe
vocals, traditional flutes, percussion

Marlui Miranda vocals, guitar

Ravi kora, vocals

Martin Brunsdn double bass

The first UK tour by shaman musicians of the Mehinaku tribe from the Amazonian Rainforest performing especially composed music with the consummate interpreter of Brazilian Indian music Marlui Miranda and special English guest musicians - virtuoso kora player Ravi and double bassist Martin Brunsdn.

They will perform new arrangements of traditional tunes, reflecting both the music's gentle, textural beauty and its spirituality. Dance is an integral part of Mehinaku life so expect the performers to interpret the music through movement as well as their virtuosic playing. Not to be missed.

New CD *Neuneneu Humanity* out in June available through www.ravi-art.co.uk
